

## Tips for Getting to Toronto Ribfest

### **Location:**

Toronto Ribfest is located in Centennial Park. The address is 256 Centennial Road. Please **go directly to the Volunteer Centre.**

To get to the Volunteer Centre walk north on Centennial Park Road, which runs along the East side of the park. Watch for signs to the Centre. You may be asked for evidence that you are a volunteer, so we recommend you print off your schedule and bring it with you.

### **Transportation:**

Parking is limited. We *strongly* encourage you to get dropped off, take TTC or carpool.

**Getting dropped off/picked up:** Entry into the park to drop off volunteers is not permitted. We recommend getting dropped off at Hollycrest Middle School [630 Renforth Drive, North of Rathburn]. Then simply walk through the school property to Centennial Park Road, turn right and follow the signs to the Volunteer Center. For pick up at the end of shifts, please return to the same location in front of Hollycrest.

**By TTC:** The closest intersections for planning TTC travel are Rathburn and Renforth and Eglinton and Renforth.

From the corner of Rathburn and Renforth, walk West along Rathburn. Just before Seneca School you will come to Centennial Park Road. Walk North and watch for signage to the Volunteer Center.

From Eglinton and Renforth, walk South on Renforth to Hollycrest Middle School, turn right and cut through the school to reach Centennial Park Road. Turn right and watch for signage to the Volunteer Center.

**By car:** Parking for *adult volunteers only* is available in the school parking lot of Hollycrest Middle School. From the parking lot, walk across the school property to Centennial Park Road and turn right. The parking lot is supervised and you may be asked for evidence that you are a volunteer so we recommend that you print off your schedule and bring it with you.

**By Taxi:** Taxi's entering the grounds during the day will experience traffic and have difficulty turning around. We recommend getting dropped off at Hollycrest School [630 Renforth Drive] and walking through the school playground to Centennial Park Rd. Turn right and follow signs to the Volunteer Center. For those working the **evening shift**, we have arranged to have a Taxi and Ride Sharing stand. This will likely be located at Hollycrest School.

**Evening Shifts:** At the end of the evening shift we can make arrangements for those who wish to be accompanied to their pick up spot at Hollycrest School, to their bus stop or to their parked car. *Requests should be made at the Volunteer Centre when registering.*
